Subject: RM10.9 conf call next week

John,

I talked to the team and it was generally felt that it would be helpful to have a call next Wednesday even if brief. We'll want to use that time to get an update on the progress and schedule for the demobilization punchlist and also an update/overview of the repair work in the park.

As was suggested yesterday, we are not opposed to the call being with a smaller group.

Thanks in advance,

Jennifer
